

After School Engineering Club Permission Slip

The goal of the club is to expose students to engineering fields through hands-on activities. At the meetings students will use the design process in various engineering tasks. They will also take part in various state challenges. Students are expected to attend weekly meetings on Wednesdays from 2:50 pm to 4:00 pm. As the challenges near, the students may have to stay after school on multiple days leading up the competition. The location of the challenges will vary, but all will take place locally (i.e. Baltimore Museum of Industry, Morgan State, or Dulaney High School). Competitions are scheduled on weekends; therefore, transportation must be provided by the parent/guardian.

Please note that in the past students who have had attendance or transportation issues have been placed on probation and/or dismissed from the club. It is imperative that all students attend the meeting and are picked up promptly at 4:00 pm.

Student information:

Student Name: _____
Student Grade: _____

Please check type of transportation(s) needed:

_____ Walker

_____ Parent Pick up

My child may also ride home with: _____ (no deviations without written instructions)

Parent Contact information:

Parent Name: _____

Parent phone: (Home) _____ (Work) _____ (Cell) _____

Emergency Contact Name: _____

Emergency Contact # _____

E-mail: _____

I give my child, _____, permission to participate in the
(Student name)
after school engineering program. I understand that it is my responsibility to pick up my child PROMPTLY at 4:00 and that attendance is necessary.

Parent Signature: _____

Date: _____

Please return the completed form to Mr. Tedeschi (RM 101)
